Plant, Machinery
Equipment
Utility Vehicles
Raw Materials
Packaging Materials

INELIGIBLE CATEGORIES

Ammunition & Firearms
Management Vehicles

TYPES OF DPA STATUS:

1. **Designated Processing Area Developer** – a Company that establishes a DPA Park to accommodate DPA Business(s). The DPA Developer status is granted by the issuance of a Certificate of Designation and Certificate of Compliance.
2. **Designated Processing Area Business** – a Company that conducts business activities, under the National Priority Sectors, in an approved area that is established and administered by a DPA Developer (DPA Park). The DPA Business status is granted by the issuance of a Certificate of Compliance.
3. **Special Designated Processing Area** – is a highly flexible status that allows a Company to operate from a convenient location to accommodate resource-based activities. The Special DPA status is granted by the issuance of a Certificate of Designation and Certificate of Compliance.

PROJECT PROPOSAL CONTENTS

In compiling the proposal, kindly ensure that information provided for each proposal item is accurate, and as thorough as possible. The Designated Processing Area Committee (DPAC) needs to be convinced that the economic and social benefits justify the granting of a DPA status. Please be advised that items with uncertainties will be prompted for further elaborations.

A properly bounded Project Proposal must be submitted in eighteen (18 copies) to the Belize Trade and Investment Development Service (BELTRAIDE) with the following Proposal items:

1. DPA APPLICATION FORM - SCHEDULE II, DPA REGULATIONS. Please complete the attached FORM herein.

2. FORMAL LETTER OF APPLICATION addressed to the DPA Committee Secretariat, c/o Executive Director, Dr. Leroy Almendarez, Belize Trade and Investment Development Service (BELTRAIDE), and request for a site visit to be undertaken at the proposed project location. Please also include the following summaries in the letter:

- Company Name and Location (address) of the operating business
- Site Location
- Description of the intended product/service
- Justification for pursuing the DPA
- Proposed Investment Value
- Proposed Employment Number
- Time Period requesting for DPA
- Indication of Source of Funds: Capital Investment to allow commencement of operation.

*** TABLE OF CONTENTS**

3. BACKGROUND AND SCOPE OF PROJECT, to include:

- Location and size of property and company
- Description and objective of the project
- Description of facilities and products to be produced
- Benefits of the project to the economy
- Scope of project

- Background on company and/or applicant (e.g., previous year's performance and assets and liabilities etc.)
- Experience in the sector and awareness of other suppliers of similarity
- Please fulfill the respective Industry Specific details (reference Annex 01)

4. MARKETING PLAN, to include:

- Discuss how product/service will be distributed
- Market demand; size and demand of growth
- Past and future growth of sector
- Type and quality of goods/services
- Major problems and future development to impact on industry
- Existing prices of products/services
- Target consumers/customers and markets
- Sales & Advertising programme, where applicable
- Estimated sales revenues according to markets and products / services

5. PHYSICAL MASTER PLAN AND OVERALL LAYOUT, to include:

- Map of Location: Satellite Map / Google Earth, GPS coordinates of borders
- Size of property seeking DPA designation with clear demarcation on a map
- Size of buildings and/or facilities on the property with the respective sizes in square ft.
- Site Layout Plan to indicate structures, buildings, utilities, Customs office, security section

6. PROPOSED CONSTRUCTION SCHEDULE – complete A4 FORM

- Proposed implementation time and schedule
- Estimated implementation cost for each phase

7. TECHNOLOGY AND PRODUCTION, to include:

- Description of technology and process to be utilized
- Suggested plan layout - linked to Section 5
- Indication of plant capacity and efficiency
- Capacity and efficiency on production and sales
- Comparison of technology with competitors and describe possible linkage

- **Research and Development:** indicate the plans for R&D to enhance product/services, and indicate the percentage of the expenditure to be used in R&D.
- **Employee Training and Transfer of Knowledge Plan:** provide a training program, types of training and sequences over period of time
- **Capacity to Meet Standards:** indicate the standards to be sought, the Certification Agency and Third Party agency that will be contracted to provide Certification services.

8. CAPITAL COST ESTIMATE, to include:

- Estimate cost of local and foreign technologies
- Estimate cost of equipment
- Detailed capital cost estimate including: land, machinery, and equipment, etc.
- Source of financing

9. OWNERSHIP, STAFF AND MANAGEMENT ORGANOGRAM, to include:

- Organogram of staff and management
- Details of salaries and positions to be held in the company – complete A3 FORM

10. FINANCIAL PROJECTION AND CONTRIBUTIONS (TEMPLATE)

- **Ten (10) Year Pro Forma Financial Statement:** complete (A1 / A2 EXCEL SHEET)
Details of all revenues from sales and recurrent expenditures over the next ten (10) years to run the day to day activity including: wages, utility, equipment, maintenance, utilities, social security payments, insurance, purchase of raw material which would include local raw material that would be used, fuel, equipment, marketing fees, etc. Please include financial data and key accounting assumptions supporting the statements, including calculations of sales and costs.
- Outline Corporate Social Responsibility (CSR) initiatives (e.g. benefits to the employees and communities).

11. PROOF OF SOURCE OF FUNDS

- Proposed Investment below/equal to BZD\$ 10 million: Provide a Banker's Reference from a recognized financial institution, outlining at least 10% of the total proposed investment.
- Proposed Investment over BZD\$ 10 million: Provide a Banker's Reference from a recognized financial institution, outlining at least 20% of the total proposed investment.

- **One Commercial Reference** on the company or its majority shareholder.

NOTE: The official letter must be addressed to the DPA Committee Secretariat, c/o Executive Director, Dr. Leroy Almendarez, BELTRAIDE, and dated within the last three (3) months at the point of completed application submission. Please also articulate the fund raising effort encompassing the balance of development phases.

12. PROOF OF LEGAL ACCESS TO THE INTENDED PROPERTY / ANY OF THE FOLLOWING

- Certified Land Registry Report (issued by the Land Registry) in the name of the company
- Official Lease Agreement, providing legal access and rights to develop on the intended property, in the name of the applicant company, and witnessed by a Local Notary Public, and attached with the Certified Land Register Report (issued by the Land Registry)
- In the case of a DPA Business, a letter from the DPA Developer is required

13. LIST OF NON-CONTROLLED ITEMS

- Applicants must submit a master list of goods considered necessary inputs for the operation of the DPA companies to undertake the activities. The list of goods must be in the format below and submitted to the Ministry for review. The list of goods submitted for review is not final and will only be used to fast track clearance since the items will be assessed with their respective justifications to give pre-approval. Complete A5 – EXCEL SHEET

CATEGORY	ITEM DESCRIPTION	HS CODE (OPTIONAL)	JUSTIFICATION

14. COMPANY AND OWNERSHIP DOCUMENTS / INCLUDING THE FOLLOWING:

- Copy of Certificate of Incorporation of the applicant company
- Copy of Memorandum and Articles of Association of the applicant company
- Copy of updated Shareholder and Director Registry (with stamp from the Belize Companies and Corporate Affairs Registry). Please complete **ANNEX 2** herein attached.

16. NO OBJECTION LETTER FROM THE CENTRAL BUILDING AUTHORITY, to ensure that all buildings and facilities are structurally sound and safe, in the name of the applicant company.

17. Provide **ANY OTHER INFORMATION** which the DPA Committee may require.

18. Make payment of the **NON-REFUNDABLE APPLICATION FEE BZ\$5,000.00** at the Belize City Treasury or any of the Sub-Treasuries countrywide with the following information. Please include payment receipt via the business plan.

- Payment Details: Non-Refundable DPA Application Fee
- Cost Center: 24017
- Item: 11704
- Programme: 120
- Activity: 14

NOTE: After all the above items have been delivered to BELTRAIDE, in the form of a bounded consolidated Business Proposal, the applicant will be notified via electronic mail indicating whether the application requirements have been completed in accordance with the standing Checklist. Thereafter, when the **Ministry of Economic Development, Petroleum, Investment, Trade and**

Commerce notifies that the application has been accepted, the DPA Committee has no more than sixty (60) days to make a decision.

For more information on the rules and procedures of processing a DPA application and responsibilities of DPAs in Belize, please peruse Designated Processing Areas Act, No. 27 of 2018.

KEY CONSIDERATIONS WHEN COMPILING THE PROPOSAL

- A. Companies must provide proof of ownership or a notarized lease of land, building or office space used to operate the DPA.
- B. Establish an on-site office for the Customs Department.
- C. Special DPAs are NOT allowed to share their compound with companies that are not DPA companies unless authorized by the DPAC.
- D. DPAs must maintain adequate surveillance and fenced area of operations;
- E. All DPA Companies are levied a Social Fee on the value of all goods and services imported into an Designated Processing Areas at the rate of 10% on fuel and 3% on general merchandise, on the value imported.
- F. 15% of the total labor employed by the DPA is allowed to be foreign, considering that the positions are senior management and technical.
- G. DPAs must indicate raw materials imported and sourced in Belize.

ANNEX1: INDUSTRY SPECIFIC GUIDING QUESTIONS

1. MANUFACTURING / AGRO-PROCESSING PROJECT

- Indicate the items to be manufactured
- Describe the manufacturing process
- State the primary machinery and equipment to be used and the condition
- Indicate the expected level of output in the First Year of operation
- Indicate the expected level of output at full capacity
- Indicate the source of raw materials
- Indicate any standards or certification to be attained

2. AQUACULTURE AND MARICULTURE PROJECT

- Indicate the type of species to be produced
- Indicate the number of acreage to be utilized
- Indicate the number and type of ponds, if applicable
- Indicate the growth and harvesting cycle
- Describe the culturing technique and practice
- Highlight the primary tools and equipment to be used
- Indicate any standards or certification to be attained

3. INFORMATION TECHNOLOGY ENABLED SERVICES

- Indicate the number of workstations
- Describe the intended operation
- Indicate the type and number of campaigns, if applicable
- Highlight the various technology and equipment to be used
- Highlight amenities for staff
- Indicate any standards or certification to be attained
